### **PRESS RELEASE**

We make reference to the press release published on 30<sup>th</sup> July 2012 (MTDC/NB/2012/001) on MTDC website, inviting local and foreign or multinational companies to submit an Expression of Interest (EOI) for the Joint Venture Partnership with MTDC and/or outright purchase for the operation/management of 544-bed Herathera Island Resort (Seenu Atoll, Maldives).

We would like to inform that the company decided to annul the invitation due to insufficient response for this invitation, and some submissions missed adequate information required for the selection process.

The company has now decided to issue a fresh invitation to the interested parties to submit proposals with respect to Herathera Island Resort, which will be announced in due course, and to offer opportunities for more parties to select the most appropriate party that fits our requirements.
